PROCESSING PURPOSE AND USE

We process your Personal Data to facilitate the establishment and execution of agreements related to (digital) marketing and analytics services, as well as to manage and maintain the relationships resulting from these agreements. This includes activities aimed at expanding our customer base. Additionally, if you contact us or send an email, the information you provide will be retained for the duration necessary to address the content of your inquiry. The information we collect is used to customize and enhance your experience on our website. It also helps us improve our website and the services we offer. Additionally, we use your data to respond to customer service inquiries and provide necessary support. From time to time, we may send you updates or information about our services via email. Furthermore, we analyse website usage and trends to ensure a better user experience.

COLLECTION OF DATA

Data provided by you: When you reach out to us, whether through our website or other means, we may request certain personal information from you, such as your name, email address, and phone number.

Data collected automatically: When you visit our website, certain non-personally identifiable information transmitted by your browser may be automatically logged by our server to enhance your experience. This information may include, but is not limited to, details such as your web request, IP address, browser type, browser language, and the date and time of your visit. Additionally, a "Cookie" (a small text file with a unique identifier) may be assigned to your browser. You have the option to configure your browser to notify you when cookies are being used or to block them entirely. However, blocking cookies may prevent access to some features of our website.

We do not sell or transfer your personal data to third parties except as described in this Privacy Statement. Your Personal Data will not be collected, used, or shared for any purposes beyond those outlined in this Privacy Statement without your prior consent, unless otherwise permitted or required by law or to third-party services who assist us in operating our website and conducting out business. To fulfill the purposes described in this Privacy Statement and to keep your personal profile up to date, we may combine all personal data we have gathered.

THIRD-PARTY LINKS

Our website may include links to third-party websites, but we are not responsible for the privacy practices or content of those sites. We recommend reviewing their privacy policies before sharing any personal information.

DATA SECURITY

We employ the required technical and organizational measures that adhere to industry standards to protect your personal information from unauthorized access, misuse, or disclosure. While we strive to ensure the security of your data, it is important to understand that no method of transmitting information over the internet or storing it electronically can be entirely secure. Therefore, we cannot provide an absolute guarantee of security.

CHILDREN'S PRIVACY

Our website is not designed for persons under the age of 13, and we do not intentionally collect personal data from children. If we become aware that such information has been inadvertently gathered, we will promptly remove it from our records.

YOUR RIGHTS REGARDING PERSONAL DATA

You have several rights in relation to your Personal Data. You may request access to the personal information we hold about you, correct any inaccuracies, ask for your data to be deleted, object to its processing, or request limitations on how it is processed. To exercise any of these rights, please contact us using the details provided at the top of the Privacy Statement.

UPDATES TO THIS PRIVACY STATEMENT

We reserve the right to modify this Privacy Statement as necessary to comply with applicable privacy laws. Any updates will be posted on our website, and we encourage you to review this policy regularly. Changes will take effect once they are posted on the website.
